6. 16: NATIONAL HUMAN GENOME RESEARCH INSTITUTE (NHGRI)

Release Date: 04-26-2011Open Date: 04-26-2011Due Date: 06-26-2011Close Date: 06-26-2011

The successful completion of the HGP in 2003 set the stage for making use of the immense potential inherent in knowledge of the complete DNA sequence of the human genome to be applied for the improvement of human health and well-being. In an effort to outline a path forward, the Vision Document (Nature 422,835-847 (2003)) broadly outlined three areas that need to be addressed: (1) elucidating the ...
